

Chef's Pepper Collection

This unique culinary offering is the updated version of Chef Stefans ORIGINAL Pepper of the World. A gift box containing 6 individual canisters of The Finest Pepper of the World™, each salt was carefully selected for quality, diversity and application. Each peppercorn selected has been personally endorsed by our Chef. Chef Stefan Czapalay, c.c.c

We have chosen the more interesting peppercorns for this unique gift box. The white peppercorns are grinder suitable but we recommend you use the others whole or crushed by a mortar and pestle. The pepper products are not all true Piper Nigrum, but do have pepper-like properties. Each one varies in flavour and aroma.
